# INTERIOR DESIGN

A modern living room interior design. The room features a red sofa with a quilted backrest, a round wooden coffee table with a slatted base, and a yellow cylindrical side table. A large potted plant with green leaves is positioned to the left of the sofa. The background includes a light-colored wall and a wooden slat partition. The floor is covered with a light-colored rug. The text "INTERIOR DESIGN" is displayed in a large, bold, serif font at the top left of the image.
